

**Over 800
students in LWSD
go hungry on a
regular basis.**

Will you be a **Pantry Packs Hunger Champion** for the food-insecure students in your school?

It costs **\$25 per month** to provide one student food for the weekend, when they are most vulnerable to hunger.

Feed Washington needs **Pantry Packs Hunger Champions** at every school in the Lake Washington School District to spread the message about our upcoming Pantry Packs Holiday Hunger Campaign.

From **December 4th- 17th** we are running **Pantry Packs Holiday Hunger Campaign** to make sure every child in LWSD has enough to eat every weekend for the entire year.

To learn more about volunteering as a Pantry Packs Hunger Champion, please email Katy Philips, our Campaign Director, at **katy@feedwashington.org**
