****Statement from Huntington** by Owner, Stephanie Kennedy, regarding their change in policy for Essay grading for all upcoming Mock ACT and SAT practice test events March 2018 at Eastlake:

Starting March 15, 2018, Huntington will no longer be reviewing individual student essays and providing number scores for those essays at school-sponsored testing events. Students will still be invited to write the optional essay at the test event, and will be proctored for this portion of the test. All students will be given a self-evaluation rubric with which to score their own essays. This rubric will provide students and parents with an insight into what test-day graders will be looking for in reviewing your child's essays

NOTE: This change is **only** for the essay portion of the test. The multiple-choice questions will be graded by Huntington. Student's individual scores for these questions will be given at the score back session on Wednesday, March 28th at 7pm, along with a presentation by Huntington.

Scholarships available for those who need. Please contact your school counselor.
