- Provides **Grants** for student education & supports teachers & staff
- Enhances parent involvement and **Communication** (Weekly Wolf Tracks Newsletter & PTSA Website)
- Advocates for our school and students
- Support PTSA organized activities such as senior events and staff appreciation

### ***Eastlake Angels***

Eastlake Angels is an all-volunteer collaboration between the PTSA and Eastlake High School staff, seeking to identify and provide immediate, confidential assistance to EHS students experiencing financial hardship. We offer the means for these students to participate in student body activities and endeavors that support and enrich their academic, social, and personal growth experiences. These include senior apparel, dance tickets, yearbooks, AP class fees and more. Please consider donating to Eastlake Angels! More information at
