

Grant Application Summary – Fall 2019

Requester	Department	Description	Total	Notes
Brittanie Peterson	CTE	Personal Finance Online Tool “Real World Classroom”	\$3150	www.rwcmodel.com is an online tool that teaches personal finance literacy, based on decision-theory learning. Online role-playing game teaches students about decisions and consequences of spending money.
Casey Green	Biology	Pipettes & Lab Coats for Biotechnology Experience class	\$2806	Funds will purchase 8 professional-grade pipettes for \$2806.
Josh Trimmel	Transitions Classroom	Coffee maker and supplies	\$498	Purchase a coffee maker, cart, pods and cups to make coffee for staff and deliver orders daily. Students will learn skills useful for future employment.
Kathleen Dunbar	Library	Multi-lingual Books	\$2000	Ms Dunbar started a popular section of multi-lingual books last year for students to check out of the library. She will increase the selection.
Lara Dean	Biology	Creating Glow in the Dark Bacteria	\$1850	Purchase two water baths and two foam racks to grow bacteria.
Valerie Harris	Music	Display Cabinet for Music Dept Trophies and Awards	\$3444	Purchase a display case (like the one that displays art in the Commons) for the growing collection of trophies and awards for the EHS Music Dept.
Totals			\$13,748
