Dear Local Business Manager/Owner:

As a local business, you know the importance of efficient and effective marketing as well as showing your commitment to the community. The Eastlake High School (EHS) Parent Teacher Student Association (PTSA) has a solution to help you achieve both: **Become an EHS PTSA Community Partner.** This partnership supports our school, which consists of more than 2,500 students and 200 staff members (as well as their families), and it promotes your business through the EHS PTSA.

The EHS PTSA is an all-volunteer, non-profit organization working to support Eastlake High School. It is the only organization at EHS that supports *all students* and actively works to link the school with the community. The mission of the EHS PTSA is to:

Inspire unity. Exceed standards. Achieve success for all students.

As an EHS PTSA Community Partner

You and your business will receive for the 2025-2026 school year:

- *a certificate acknowledging your community support and partnership with the EHS PTSA, to display in your window or office.*
- *continual support from the EHS PTSA in promoting your business through its weekly e-newsletter, website, and social media (Facebook), utilizing your logo, contact info, link to website, and/or other standard means.*

We greatly appreciate and thank you in advance for your consideration and support.

Questions should be directed to waysandmeans@ehsptsa.org.

Sincerely,
Julia Dos Remedios & Becky Gregoire
